INTRODUCTION

Hi There

I'm **Your** combined Product Disclosure Statement (PDS) and Financial Services Guide (FSG).

Please don't throw me in a drawer. Or in **Your** 'to read' pile. Or worse, in the bin.

I'm Important and Here to Help

In fact, **You** should always read **Your** PDS and FSG carefully before **You** buy any insurance product.

Why?

You paid good money for it so don't **You** want to know what **You** paid for?

Everything **You** need to know is all right here between my lovely orange **Covers**.

An informed choice is a good choice.

My Job as Your PDS and FSG is to Help You Understand:

- significant **Policy** features
- **Policy** benefits
- **Policy** risks, and;
- how **Your Premium** will be calculated

The PDS also gives **You** full details of the terms, conditions and limitations of the insurance **Cover**.

And remember, any advice contained in this PDS is of a general nature and doesn't allow for **Your** individual circumstances.

Got any questions? Contact us on 1300 009 332 and we can talk about it.

This PDS was prepared in September 2021 and is underwritten by:
Pacific International Insurance Pty Ltd
PO Box 550
Kotara NSW 2289
Phone: 1300 009 332

Financial Claims Scheme (FCS)

Pacific is an insurance **Company** authorised under the Insurance Act 1973 (Cth) (Act) to carry on general insurance business in Australia and is subject to the prudential requirements of the Act.

The Act is a set of sensible standards and practices. It guarantees that, within reason, any financial promises made by **Pacific** are met within a stable, efficient and competitive financial system.

The protection offered by the Financial Claims Scheme (FCS) applies to **Pacific** and this **Policy**. Should **Pacific** fail and be unable to meet its **Policy** obligations, a person entitled to claim under this insurance **Policy** may be eligible for payment under the FCS.

Please note, access to the scheme is subject to eligibility criteria.

For more information about the Financial Claims Scheme, go to the APRA website or call the APRA hotline on 1300 558 849.

How We Communicate With You

All **Policy** documents are sent by our **Agents** Maxxia or RemServ electronically, usually by email.

DUTY OF DISCLOSURE

The Importance of Answering Our Questions Correctly

We may ask **You** questions before We agree to insure **You**. We may also ask **You** questions before We agree to renew, extend, vary or reinstate **Your Policy**.

It is important **You** answer these questions truthfully, accurately and completely because they form the basis of Our decision whether to provide insurance to **You** and on what terms. There may be circumstances where We later investigate whether the information given to Us was true.

You have a duty to Us when answering Our questions and providing Us with information, including when **You** use a broker to act on **Your** behalf. If **You** are not sure how to answer a question or need assistance with answering Our questions, please contact Us.

What is Your Duty?

You have a duty to take reasonable care not to make a misrepresentation to Us. This duty applies to consumer insurance contracts, such as this **Policy**.

A misrepresentation includes a false answer, an answer that is only partially true, or an answer which does not fairly reflect the truth.

If someone assists **You** to answer Our questions, **You** are responsible for the information they give Us.

When Does the Duty Apply?

This duty applies until We enter into the contract of insurance with **You**.

It applies again before We agree to renew, extend or vary **Your Policy** and before any reinstatement.

What Happens if You do not Comply with the Duty?

If **You** make a misrepresentation in breach of the duty, this can have serious impacts on **Your Policy**.

Under the Insurance Contracts Act 1984 (Cth), We may:

- cancel **Your Policy**;
- reduce the amount We pay in respect of a claim; or
- if the misrepresentation is fraudulent, We may do any of the above and treat **Your Policy** as if it never existed.

Guidance for Answering Our Questions

Here are some tips on how to answer Our questions:

- Think carefully about each question before **You** answer. If **You** are unsure what the question is asking, please contact Us for guidance before **You** respond.
- Answer every question that We ask **You**.

- Answer truthfully, accurately and completely. If **You** are unsure about whether **You** should include information, please include it or contact Us for further guidance.
 - Review **Your** answers carefully before submitting them. If someone else helped **You** to complete the form, please check every answer and make any necessary corrections before submitting it.
-

GENERAL INFORMATION

Exclusions

The **Policy** doesn't offer insurance **Cover** under certain circumstances.
It's up to **You** to read the PDS carefully so you're aware of all **Policy Exclusions**.

Conditions of Cover

You have to meet certain terms and conditions for **Your** insurance **Cover** to apply.

For example, **You** need to pay the **Premium**.

It's up to **You** to read the PDS carefully so you're aware of all conditions of **Cover**.

Limits of Cover

Our liability is limited to:

- the amount shown in the **Policy Schedule** we send to **You**, and;
 - any limits shown in the PDS.
-

PREMIUMS

How We Determine Your Premium

Careful risk analysis is the primary way we determine **Your** insurance **Premium**. We consider several factors that are reliable identifiers of risk. We then calculate **Your Premium** based on the risk of providing the **Policy** and what **Cover** you've chosen.

- the number of **Cover** options selected,
- the length of the **Period of Insurance** for each **Cover** option,
- **Car Purchase Price**,
- value of a **Lease Agreement**,
- **Market Value** of the **Car**.

The **Premium** displayed on **Your** current insurance certificate includes any government charges, taxes, and levies, such as GST, Stamp Duty, and Emergency Services Levy that we're obliged to pay.

Paying Your Premium

You agree to pay **Your Premium Payments** on or before the due date.

Payments for this product are typically made through **Your** lease operating account.

Overdue Payments

If **You** don't pay **Your Premium** by the due date, we'll cancel **Your Policy** (including all selected **Cover** options). The same applies if **Your Payment** method is declined by **Your** financial institution and we don't receive **Your Payment** by the due date.

Unless advised, **Payment** reminders don't change the expiry date of **Your Cover**, or the due date of **Your Premium**. If we cancel **Your Policy**, you'll have no **Cover** from the date the **Policy** is cancelled

Other Costs, Fees and Charges

When **You** buy **Your Policy**, other costs, fees and charges may apply.

GST

If **You** are entitled to an input tax credit for the Premium, **You** need to let us know the percentage when, or before, making a claim.

We won't reimburse **You** for any GST liability, fines or penalties caused by **You** not telling us about **Your** entitlement (or correct entitlement).

The amount we pay will be reduced by the amount of any input tax credit that **You** are, or may be, entitled to claim for the supply of goods or services covered by that **Payment**.

CANCELLING YOUR POLICY

Cooling Off Period

You've got 28 days (known as 'the cooling off period') after we issue **Your Policy** to cancel and get a full refund of **Your Premium**. This gives **You** time to check the **Policy** is right for **You** and read me, **Your PDS**.

If **You** make a claim within the first 28 days, the cooling off period doesn't apply. (The exception is the Lease Protection insurance **Cover** option).

Cancelling Your Policy

IF YOU CANCEL

You can cancel **Your Policy**, or any of the individual **Covers** within the **Policy**, at any time by giving us written notice.

Unless **You** cancel during the cooling off period, **You** need to pay for the period **You** were insured.

Policy cancellation is effective at 4pm AEST on either the day we receive **Your** cancellation notice, or the date **You** specify in the notice (whichever occurs last).

FOR THE GUARANTEED BUYBACK COVER ONLY

We'll issue a refund if the **Policy** is cancelled within two years of the **Commencement Date**. If we receive **Your** cancellation request after the two years, there's no refund.

IF WE CANCEL

We can cancel **Your Policy** in accordance with the Insurance Contracts Act 1984 (Cth).

We'll send written notice to **You** (and **Your Agent**) via **Your** preferred communication method. This notice will take effect at 4pm AEST on the seventh day after it's given to you, unless a later date is specified.

If we cancel **Your Policy** due to fraud, you'll not be refunded any **Premium** amounts.

If **Your Policy** is cancelled outside the initial cooling-off period, we refund the unexpired portion of the **Premium** and any associated refundable government charges, less any non-refundable government charges.

Where the **Policy** has been financed, we're authorised to pay any refund direct to the **Financier**, unless they advise we can pay the refund to **You**.

If the **Car** is repossessed by the **Financier**, a pro-rata refund of the **Premium** will be payable to the **Financier**.

Guaranteed Buyback Value

The **Residual Value** of **Your** lease, if **Your** lease extends to the full term and the average kilometres travelled are less than 30,000 per year.

If the lease ends before the full term, the **Guaranteed Buyback Value** is calculated using the percentages set by the Australian Taxation Office (ATO) (as listed in the table below), multiplied by the **Purchase Price** of **Your Car**.

Term of Lease	Percentage of Purchase Price
Year 2	56.25%
Year 3	46.88%
Year 4	37.50%
Year 5	28.13%

If the lease ends before the full term, and the lease term isn't one of the terms shown in the table above (for example, the lease ran for 33 months), the percentage of the **Purchase Price** is calculated using the number of full years plus a deduction of 0.7812% for each additional full month.

The **Guaranteed Buyback Value** is reduced if **Your Car** travels, on average, between 30,001 and 50,000 kms per year over the period of **Your Lease Agreement**. This reduction is shown in the **Kilometre Allowance** definition below.

If **Your Lease Agreement** ends before the agreed expiry date, we'll use the actual end date to calculate the average kilometres travelled per year.

Involuntary Unemployment / Involuntarily Unemployed

An inability to continue permanent gainful occupation as a direct result of:

- involuntary dismissal or redundancy, or,
- **Your** fixed term employment contract is terminated before the agreed end date.

Kilometre Allowance (Guaranteed Buyback cover option)

If **Your Car** travels, on average, up to 30,000 kms per year over the period of **Your Lease Agreement**, we won't reduce the **Guaranteed Buyback Value**.

If **Your Car** travels, on average, between 30,001 and 50,000 kms per year over the period of **Your Lease Agreement**, the **Guaranteed Buyback Value** of the **Car** is calculated using the percentages set by the ATO, as listed in the table above.

If **Your Car** travels, on average, between 30,001 and 40,000 kms per year over the period of **Your Lease Agreement**, the percentage of the **Purchase Price** used to calculate the **Guaranteed Buyback Value** of **Your Car** will be reduced by 10%.

If **Your Car** travels, on average, between 40,001 and up to 50,000 kms per year over the period of the **Lease Agreement**, the percentage of the **Purchase Price** used to calculate the **Guaranteed Buyback Value** of **Your Car** will be reduced by 15%.

If **Your Car** travels, on average, more than 50,000 kms per year over the period of **Your Lease Agreement**, **You** can't claim under this **Policy**.

For example, if the term of **Your Lease Agreement** is four years and **You** travel 35,000 kms on average, the **Guaranteed Buyback Value** will be 27.5% of **Your Car's Purchase Price**.

TOTAL LOSS ASSIST INSURANCE

COVER AND ELIGIBILITY

What's Covered

Please read this section carefully for the full terms, conditions, **Claim Benefit Limits** and **Exclusions**.

This **Cover** provides 6 **Cover Levels** as outlined in the benefits table below. Each **Cover Level** is subject to terms, conditions, **Exclusions** and limitations.

Eligibility Criteria

You can only apply for Total Loss Assist Insurance Cover at the beginning of the **Finance Contract**.

To be eligible for this **Cover**, **You** must have finance approved by our preferred provider.

Your Car must be:

- under 10 years old at the **Commencement Date**,
- valued at between \$5,000 and \$120,000
- comprehensively insured at the time the **Policy** starts and remain so for the duration of **Cover**.

Commencement of Cover

This **Cover** takes effect on the **Commencement Date**. Once the **Premium** is paid in full and we've accepted **Cover**, it continues for the **Period of Insurance**.

The **Period of Insurance** will align with the period of the lease and will appear on **Your Policy Schedule**.

Continuation of Cover After a Claim

This **Cover** will continue until the end of the **Period Of Insurance** when we:

- accept a claim under the **Policy**, and;
- **Your Vehicle** (subject of the claim) is replaced with another **Car**.

How We Issue Payments

In the event of a claim, any monies still outstanding with **Your Financier** after **Payment** from **Your** comprehensive motor **Vehicle** insurer, will be made first. Any remaining benefit will be paid to **You** directly.

TOTAL LOSS ASSIST INSURANCE

BENEFITS

What Benefits are Payable Under This Cover?

This **Cover** pays the higher of the difference between:

- **Your Total Loss Payment** and the amount to **Discharge Your Finance Contract**, or;
- the difference between **Your Total Loss Payment** and the **Purchase Price of Your Car**.

If **You** refinance the **Car** after finalising the original **Finance Contract**, we'll recalculate the **Policy Purchase Price**. To do this, we'll use the **Car's** current **Market Value** according to the [**GLASS'S DEALERS GUIDE**](#) at the time **Your** lease commenced.

Cover is subject to the terms, conditions and **Exclusions** of this **Cover**.

The **Maximum Benefit** **You** selected is shown on **Your Policy Schedule**.

You Can Claim if:

- **Your Car** was declared a **Total Loss** by **Your Comprehensive Car Insurer**, and you've received a **Total Loss Payment** from them, and;
- that **Total Loss Payment** is less than the **Outstanding Balance of Your Finance Contract** or the **Purchase Price of Your Car**.

We'll pay any remaining balance directly to **Your Finance Provider/Company**. Any additional funds will be paid to **You**.

If you've met **Your** obligations to **Your Financier**, **You** can choose to contribute funds towards a replacement **Car** and

any extra expenses from **Your Car** being declared a **Total Loss**.

Claim Benefit Limit(s)

The most we'll pay for any claim, as outlined in the benefits table below.

Maximum Benefit

The **Maximum Benefit** under this **Cover**, as outlined in the benefits table below.

Minimum Benefit

The **Minimum Benefit** under this **Cover**, as outlined in the benefits table below.

Other Information

- if **Your Car** is declared a **Total Loss** by **Your Comprehensive Car Insurer** and they replace the **Car**, we'll pay **You** the minimum **Payment** of \$5,000.
- in the event the amount we calculate to settle **Your** claim is less than the minimum **Payment**, we'll pay the difference, so **You** receive the \$5,000 minimum **Payment**.

BENEFITS TABLE			
Cover Level	Purchase Price	Maximum Payment	Minimum Payment
1	\$5000 - \$25,000	\$12,500	\$5,000
2	\$25,001- \$35,000	\$17,500	\$5,000
3	\$35,001- \$50,000	\$25,000	\$5,000
4	\$50,001- \$65,000	\$37,500	\$5,000
5	\$65,001- \$80,000	\$40,000	\$5,000
6	\$80,001- \$120,000	\$50,000	\$5,000

The **Purchase Price** of **Your Car** determines **Your Cover Level**.

The **Cover Level** might not be enough to cover the gap on **Your Finance Contract**.

Each **Cover Level** is subject to terms, conditions, **Exclusions** and limitations not listed in this summary table.

TOTAL LOSS ASSIST INSURANCE

CLAIM EXAMPLES

Claim Example 1

John buys a **Car** for \$32,000 and leases it for four years.

As the **Purchase Price** is between \$25,001 and \$35,000, he takes out **Cover Level 2** and his **Car** is insured for a maximum of \$17,500.

John has an accident three years into the lease and the **Car** is declared a **Total Loss** by his **Comprehensive Car Insurer**.

The payout from his **Comprehensive Car Insurer** is \$19,000 after deducting the **Excess**.

Finance owing is \$21,000.

Possible Benefits Payout

The difference between finance owing and **Comprehensive Car Insurance** payout is \$2,000.

The difference between **Purchase Price** and **Comprehensive Car Insurance** payout is \$13,000.

Given the \$13,000 is the greater of the two and is less than the maximum **Cover** amount of \$17,500. John would be entitled to \$13,000.

The \$13,000 would be paid in the following way:

- \$2,000 would be paid to the **Finance Provider/Company** to **Cover** the outstanding finance amount,
- the remaining \$11,000 is paid to John to help out with any out-pocket expenses or to buy a new **Car**.

Claim Example 2

Mary purchased her **Car** five and a half years ago for \$40,000.

She originally took a four year lease, then re-leased it for an extra two years.

When Mary took out the re-lease, she bought **Total Loss Assist Cover**. According to the [**GLASS'S DEALERS GUIDE**](#), the **Market Value** of the **Car** at the start of the re-lease was \$16,000.

Mary took out **Cover Level 1** and her **Car** was insured for \$12,500.

The **Car** was stolen eighteen months into the re-lease.

The payout from her **Comprehensive Car Insurer** is \$11,500 after deducting the **Excess**.

Finance owing at the time of the claim was \$12,000.

Possible Benefits Payout

The difference between finance owing and **Comprehensive Car Insurance** payout is \$500.

The difference between the re-lease **Purchase Price** and **Comprehensive Car Insurance** payout is \$4,500.

Mary's **Minimum Benefit** is \$5,000 and the benefit payable is therefore \$5,000

- If **You** refinance the **Car** after finalising the original **Finance Contract**, "the price **You** originally paid" at the time of the new **Finance Contract** is the **Car's** current **Market Value**, according to the [**GLASS'S DEALERS GUIDE**](#).

LEASE PROTECTION INSURANCE

CLAIM EXAMPLE

Claim Example

Steve took out a lease protection insurance **Cover** on 1st February 2016 when he commenced his **Lease Agreement** with his **Lease Provider**.

The **Lease Agreement** is for four years, and his **Lease Payment** is \$750 per month.

On 30th April 2018, Steve is made redundant by his employer.

There's no benefit payable during the 30 day **Excess Period**.

For a benefit to be paid, as agreed under the terms and conditions of the **Cover**, Steve registers with Centrelink and begins actively looking for a new job.

If, after the 30 day **Excess Period**, Steve's still unemployed, he'll be entitled to the equivalent of one month's **Lease Payment**, even if he's only unemployed for one more day.

If Steve remains unemployed on day 61, he'll be entitled to a second **Lease Payment**.

He'll keep being paid the equivalent of one month's **Lease Payment** each time his unemployment continues into a new 30-day period (day 91, day 121 etc).

It's important to remember **Payments** are made directly to the **Lease Provider**.

Steve can surrender his **Car** to the **Lease Provider** if, after receiving at least three months' worth of **Lease Payments**, he:

- is still unemployed, and;
- hasn't, or isn't about to, enter into an agreement for new employment.

Steve can also claim the **Hand-Back Option of Involuntary Unemployment Cover**. This way he can settle and end his **Lease Agreement** with his **Lease Provider**.

On the day Steve returns his **Car** to the **Lease Provider**, the **Outstanding Balance** of the **Lease Agreement** is \$16,000.

The **Lease Provider** advises the **Fair Sale Price** for his **Car** is \$14,000.

The benefit **Payment** to settle and end his **Lease Agreement** is \$2000 (\$16,000 - \$14,000).

Steve will also be directly paid the monthly **Car** running cost benefit until:

- the maximum amount of lease payments have been made, or
 - the **Hand-Back Option** is selected, or
 - he finds gainful employment.

GUARANTEED BUYBACK INSURANCE

COVER AND ELIGIBILITY

What's Covered

Please read this document for the full terms, conditions, **Claim Benefit Limits** and **Exclusions**.

When **Your Lease Agreement** ends and the **Likely Market Value** of **Your Car** is less than the calculated **Guaranteed Buyback Value**, by transferring ownership of the **Car** to us, you'll get:

- an amount equal to the **Likely Market Value** of **Your Car**, plus;
- the difference between the **Likely Market Value** and the calculated guaranteed buyback value, up to the **Maximum Benefit** of \$25,000.

Guaranteed Buyback Value

The **Guaranteed Buyback Value** is the **Residual Value** of **Your Lease**, if **Your** lease extends to the full term and the average kilometres travelled are less than 30,000 per year.

If the lease ends before the full term, the **Guaranteed Buyback Value** is calculated using the percentages set by the Australian Taxation Office (ATO) (as listed in the table below), multiplied by the **Purchase Price** of **Your Car**.

Term of Lease	Percentage of Purchase Price
Year 2	56.25%
Year 3	46.88%
Year 4	37.50%
Year 5	28.13%

If the lease ends before the full term, and the lease term isn't one of the terms shown in the table above (for example, the lease ran for 33 months), the percentage of the **Purchase Price** is calculated using the number of full years plus a deduction of 0.7812% for each additional full month.

The **Guaranteed Buyback Value** is reduced if **Your Car** travels, on average, between 30,001 and 50,000 kms per year over the period of **Your Lease Agreement**. This reduction is shown in the **Kilometre Allowance** definition at the beginning of this document.

You Can Make a Claim:

- if **You Discharge Your Lease Agreement** before the original end date, provided **Your Policy** began at least two years prior to the date of claim; or
- at the end of **Your Lease Agreement**.

Before **Your Lease Agreement** ends, we'll contact **You** to find kilometres travelled on the **Car** and then advise:

- the **Outstanding Balance** owed to **Your Finance Company** (including GST), and
- the **Likely Market Value**
- the **Guaranteed Buyback Value** (including GST) of **Your Car**, and

When **You** claim, we'll:

- take ownership of the **Car**,
- pay the **Guaranteed Buyback Value** to **Your Finance Company**, and
- dispose of the **Car**.

If the disposal price of the **Car** exceeds the **Guaranteed Buyback Value**, we'll refund **You** the difference, less costs incurred.

In the event the balance owed to **Your Finance Company** is greater than the **Guaranteed Buyback Value**, you'll have to pay the difference to **Your Finance Company**.

Eligibility Criteria

To apply for this **Cover You** must:

- have current comprehensive insurance on the **Car** for the duration of the lease.

Your Car Must:

- be less than five years old at the start of the **Lease Agreement**,
- not travel on average more than 50,000 kilometres per year for the life of the lease,
- be valued under \$120,000 when the **Policy** starts.

Use Of Your Car During the Lease

You won't be covered if the **Car** travels, on average, more than 50,000 kilometres per year for the life of the lease.

How We Issue Payment

In the event of a claim, **Payment** will be made to **Your Finance Company**, or as directed by **Your Finance Company**.

GUARANTEED BUYBACK INSURANCE

CLAIM EXAMPLES

Claim Example 1

Barry bought a **Car** for \$65,000 (ex GST) through a novated lease.

The term of the lease was three years.

Before the end of the lease, the insurer contacted Barry to confirm kilometres travelled, to give the **Guaranteed Buyback Value** and advise if Barry could lodge a claim.

The **Car** had travelled 79,200 kms in 33 months, an average of 28,800 kms per year.

Barry is advised the following figures apply at the end of the lease term:

- **Guaranteed Buyback Value**– as Barry's lease is running the full original term and his **Car** has travelled less than an average 30,000kms a year, Barry's **Guaranteed Buyback Value** will be the **Residual Value**.
- **Residual Value** issued by the **Finance Company** was \$30,472 (ex GST).
- **Likely Market Value** (from Glass's Dealers Guide) is \$25,500 (ex GST).

As the **Likely Market Value** is less than the **Guaranteed Buyback Value**, Barry can choose to hand the **Car** in at the end of the lease and receive the following two **Payments**:

- \$25,500 (ex GST) - the **Car's Likely Market Value**.
- \$4972 - the difference between the **Market Value** and the **Guaranteed Buyback Value**.

The total combined **Payment** of \$30,472 plus GST will be paid to the **Financier** to payout the lease.

Claim Example 2

Matthew bought a **Car** for \$18,000 (ex GST).

He took out a four year lease in August 2017.

In October 2019, Matthew wanted to end the lease early, so he contacted his insurer to see if he could lodge a claim.

The **Car** had travelled 60,000 kms, an average of 22,500 kms per year to date.

Matthew is advised the following figures apply if he ends the lease early:

- **Financier** advises the outstanding amount is \$14,200 (ex GST)
- **Likely Market Value** (from the GLASS'S DEALERS GUIDE) is \$12,500 (ex GST).
- **Guaranteed Buyback Value** is \$9,844 (ex GST)

As the lease is ending early, the **Guaranteed Buyback Value** is not equal to the outstanding finance amount. Instead, it's calculated using the following ATO discount table.

Term of Lease	Percentage of Purchase Price
Year 2	56.25%
Year 3	46.88%
Year 4	37.50%
Year 5	28.13%

Discount value for Year 2 is 56.25%, less 2 times the per month factor of 0.78125% for the extra two months the lease was into the third year.

Total discount factor is 54.69%.
54.69% applied to the original **Purchase Price** of \$18,000 = \$9,844.

As the **Likely Market Value** is greater than the **Guaranteed Buyback Value**, no benefit is payable under this **Cover**.

EXTENDED WARRANTY INSURANCE

COVER AND ELIGIBILITY

What's Covered

Please read this document for the full terms, conditions, **Claim Benefit Limits** and **Exclusions**.

This **Cover** for most components and parts under the original **Manufacturer's** warranty, is meant to reduce the financial impact of unexpected mechanical or electrical failure.

Any components and parts not covered are listed as an exclusion in this PDS.

Information About Your Rights Under the Law

Your Car may come with a **Manufacturer's Warranty** and/or **Dealer Warranty** which, to the extent applicable to you, can't be excluded by **Australian Consumer Law** or other relevant laws.

This **Cover** doesn't start until **Your Manufacturer Warranty** and/or **Your Dealer Warranty** expires.

With this **Cover**, you're buying protection for **Your Car** in line with the terms and conditions outlined in this document. In some cases, this protection will overlap (partially or wholly) with the rights and remedies **You** have under any applicable laws, including the **Australian Consumer Law**. Any rights or remedies **You** have under law won't be affected by this **Policy**. **You** can enforce those rights and remedies, or rely on the protection provided by this **Cover**, at **Your** discretion.

You don't pay for any rights or remedies **You** have under the **Australian Consumer**

Law or equivalent rights and remedies. And what **You** pay for this **Policy** won't change because **Your** rights under the **Australian Consumer Law**, or any applicable laws, overlap with those benefits.

Eligibility Criteria

To be eligible for this **Cover** option,

YOUR CAR MUST HAVE:

- a minimum **Purchase Price** of \$7,500.00,
- been registered for less than eight years,
- travelled less than 140,000 kms at the date **You** buy the **Cover**, and;
- current registration.

The warranty **Cover** must begin during the lease term, or within one month of the lease term expiring.

Commencement of Cover

This **Cover** takes effect on the **Commencement Date**.

If however, the **Vehicle** is covered by any **Manufacturer** or **Dealer Warranty**, **Cover** will commence the day following the expiry of the **Manufacturer** or **Dealer Warranty**.

This is to ensure that **You** don't have overlapping **Cover**, and to maximize the period which **Your Vehicle** is covered.

Once the **Premium** is paid in full and we've accepted **Cover**, it continues for the **Period** of Insurance.

The following periods of insurances are available:

- 12 months or 30,000 kms travelled, whichever occurs first,
- 24 months or 60,000 kms travelled, whichever occurs first,
- 36 months or 90,000 kms travelled, whichever occurs first, or;
- 48 months or 120,000 kms travelled, whichever occurs first.

The **Period of Insurance You** choose will appear on **Your Policy Schedule**.

How We Issue Payments

In the event of a claim, the benefit will be paid to either the repairer or **You** directly.

Policy Cost and Tax Implications

HOW MUCH DOES THE COVER COST?

The **Premium** is the amount **You** pay for this **Cover** inclusive of GST and stamp duty and will be shown on **Your Policy Schedule**.

TAX IMPLICATIONS

The taxes and charges that apply to the **Cover** will be shown on the **Policy Schedule**. The **Claim Benefit Limit** for each **Covered Component** includes any GST payable for repairs and replacement.

EXTENDED WARRANTY INSURANCE

CLAIM EXAMPLE

Claim Example

Tony has a four year old Toyota Yaris that's travelled 65,000 kms.
He bought the **Car** new for \$18,500 with a three year **Manufacturer Warranty**.

Tony bought an extended warranty **Cover** for term of 36 months. The **Cover** commenced immediately after the **Manufacturer Warranty** expired.

The water pump on Tony's Car failed.
The **Market Value** of Tony's Car at the time of the claim is \$7,500. The cost of identifying the fault and replacing the part is estimated at \$1,200.

The claim is accepted as the failure was due to mechanical failure.

The repairer has been authorised to replace the water pump with a similar or reconditioned part as the cost to repair is less than the **Market Value** of the **Vehicle**.
