

# Superannuation

## Frequently asked questions.

### Am I able to make before-tax contributions to my superannuation fund?

The Government of South Australia offers salary packaging to all permanent full-time, part-time and casual employees.

With salary packaging, you have the option to make additional before-tax contributions into any compliant superannuation fund through Maxxia, or you can choose to make before-tax contributions to a Super SA Triple S account through Maxxia or Shared Services payroll.

### How much before-tax income can I contribute to my superannuation fund?

**Concessional contributions include: salary packaging, compulsory employer contributions and any other contributions where you've claimed a tax deduction.**

The annual cap for concessional contributions is \$27,500 per annum for all individuals, regardless of age.

Concessional contributions to Super SA Triple S fund will remain unlimited. The cap will apply to contributions made to any taxed super fund including Super SA Select and SA Ambulance Service Super Scheme.

#### For example:

	Example A	Example B	Example C
Contribution to Super SA Triple S	\$15,000	\$27,500	\$50,000
Balance available to contribute to taxed Super Funds	\$12,500	\$0	\$0
Total contribution	\$27,500	\$27,500	\$50,000

Any concessional contributions made above the cap are included in an individual's assessable income and taxed at their marginal rate. For up-to-date information, please refer to [ato.gov.au](http://ato.gov.au).

In addition to the annual contribution cap, there is a \$1.6 million limit on the amount an individual can transfer into retirement phase accounts. For up-to-date information, please refer to [ato.gov.au](http://ato.gov.au)

### Will any tax be applied to the funds that I voluntarily contribute?

Additional superannuation contributions from before-tax salary to the Super SA Triple S fund are subject to 15% tax upon withdrawal. Contributions to other funds are subject to 15% contributions tax. The taxation of additional superannuation contributions via salary packaging may differ from the taxation of additional superannuation contributions from after-tax salary. For up-to-date information, please refer to [ato.gov.au](http://ato.gov.au).

### What information will I need to provide to Maxxia?

Maxxia will require your Unique Super Identifier and a Tax File Number declaration to make contributions to a compliant superannuation fund on your behalf.

For self-managed funds, Maxxia will also require your Electronic Service Address.
